

Please Report Storm Damage!

Report online 24 hours a day at:

<http://www.snohomishcountywa.gov/180/Emergency-Management>

Or call:

425-388-5060 during business hours 8-5, Monday through Friday.

Be prepared to answer basic questions about your property location, home value, estimated damages, insurance information and whether you are still living in the home.

Reporting damages does not guarantee any assistance but it is the first step in identifying available resources.
